American Math Forum (AMF) A private activity promoting informed thought and action in American P-12 mathematics education reform and advocacy. AMF serves as a platform for distribution of local and national news and information, discussion and networking to support a broad range of activities in K-12 mathematics advocacy and reform at the local, state and national levels.

NYC HOLD National on Mathematics Education Reform

Second, a focus on practices (in the plural) avoids the mistaken impression that there is one distinctive approach common to all science—a single “scientific method” or that uncertainty is a universal attribute of science.
