## **Advanced Energy Materials: Vol 0, No 0**

*Tue, 18 Sep 2018 07:48:00 GMT A new series of soft solid lithium ion conductors,  $\sigma \approx 10^{-2} \text{ S cm}^{-1}$ , thought to be rotator phases, is introduced. The single anion charge is carried on an inoxidizable  $\text{SO}_4$  moiety. These pliable electrolytes can be impregnated in porous separators to give low impedance button cells with reversible  $\text{Li}^+$  intercalation in  $\text{LiCoO}_2$  cathodes.*

## **Spectroscopie RMN — Wikipédia**

*Wed, 19 Sep 2018 07:33:00 GMT La spectroscopie RMN repose sur la détection du phénomène RMN, qui se produit lorsque des noyaux atomiques de spin non nuls sont placés dans un champ magnétique externe généralement uniforme et qu'ils sont excités par un rayonnement radiofréquence accordé sur les différences d'énergie entre les différents états possibles du spin nucléaire.*

## **Chapter 13 - unproven but interesting designs**

*Thu, 13 Sep 2018 21:44:00 GMT Chapter 13: Doubtful Devices; This chapter covers a number of devices which either are unlikely to work, or which have too little practical information available to assist replication attempts.*

## **Senior Physics - Extended Experimental Investigations**

*Sun, 16 Sep 2018 12:22:00 GMT UNIT 1.3 Electricity. Energy output of a solar panel Photovoltaics (PV) is a method of generating electrical power by converting solar radiation into direct current electricity using semiconductors that exhibit the photovoltaic effect.*

## **BibMe: Free Bibliography & Citation Maker - MLA, APA ...**

*Tue, 18 Sep 2018 22:21:00 GMT ?Citing and more! Add citations directly into your paper, Check for unintentional plagiarism and check for writing mistakes.*

## **Spinal Stenosis: Practice Essentials, Anatomy, Pathophysiology**

*Sat, 15 Sep 2018 07:23:00 GMT Acute and chronic neck and lower back pain represent major health care problems in the United States. An estimated 75% of all people will experience back pain at some time in their lives. Most patients who present with an acute episode of back pain recover without surgery, while 3-5% of patients presenting with back pain have a herniated disc, and 1-2% have compression of a nerve root.*

## **Publikationen: CCB**

*Kaden JJ, Eckert JP, Poerner T, Haghi D, Borggreffe M, Pillich M, Harrar-Haag J, Kosinski C, Ortlepp JR: Prevalence of atherosclerosis of the coronary and extracranial cerebral arteries in patients undergoing aortic valve replacement for calcified stenosis.*
