

globalization and emerging societies pdf

Globalization or globalisation is the process of interaction and integration among people, companies, and governments worldwide. Globalization has grown due to advances in transportation and communication technology. With increased global interactions comes the growth of international trade, ideas, and culture. Globalization is primarily an economic process of interaction and integration that's ...

Globalization and language policies of multilingual

An emerging market is a country that has some characteristics of a developed market, but does not satisfy standards to be termed a developed market. This includes countries that may become developed markets in the future or were in the past. The term "frontier market" is used for developing countries with smaller, riskier, or more illiquid capital markets than "emerging".

Onder een samenleving of gemeenschap wordt verstaan een groep mensen die samen een half-gesloten systeem vormen en waarbinnen interactie bestaat tussen de leden die van die groep deel uitmaken.. Hoewel de mens ook samenleeft met dieren en dingen, staat het netwerk van relaties tussen mensen centraal. De samenleving is het studieobject par excellence van de sociologie.
