Eudaimonia (also known as Eudaemonism) is a Greek word, which refers to a state of having a good indwelling spirit or being in a contented state of being healthy, happy and prosperous. In moral philosophy, eudaimonia is used to refer to the right actions as those that result in the well-being of an individual. In this case, well-being becomes an essential value.

Pederasty in ancient Greece was a socially acknowledged romantic relationship between an adult male (the erastes) and a younger male (the eromenos) usually in his teens. It was characteristic of the Archaic and Classical periods. The influence of pederasty on Greek culture of these periods was so pervasive that it has been called "the principal cultural model for free relationships between ...
