Six Ways to Practice Spelling - Resource room

Spelling is the combination of alphabetic letters to form a written word. It is a linguistic process of correct writing with the necessary letters and diacritics present in a comprehensible, usually standardized order. While a part of a language's orthography, not all languages have purely phonemic alphabets. Standardized spelling is a prescriptive element. ...

For centuries, there has been a movement to reform the spelling of English. It seeks to change English spelling so that it is more consistent, matches pronunciation better, and follows the alphabetic principle.. Common motives for spelling reform include quicker, cheaper learning, thus making English more useful for international communication.
