The presentation also touched on the value of these cardholders and the ability to cross sell them other products and services. They have run a pilot program for converting Chase Sapphire Reserve customers into Chase Private Client customers and also mortgage customers, with CFO Marianne Lake saying to expect more of this in 2018. I'm still shocked by the retention rates on this card being ...

What is a farmers market? A farmers market is a public and recurring assembly of farmers or their representatives selling the food that they produced directly to consumers. Farmers markets facilitate personal connections and bonds of mutual benefits between farmers, shoppers, and communities. By cutting out middlemen, farmers receive more of our food dollars and shoppers receive the freshest!

Monopolistic competition is a type of imperfect competition such that many producers sell products that are differentiated from one another (e.g. by branding or quality) and hence are not perfect substitutes. In monopolistic competition, a firm takes the prices charged by its rivals as given and ignores the impact of its own prices on the prices of other firms.
