There are different ways to introduce yourself depending on what the interviewer requires you to do. Technical interview: Technical interviewers also ask the question "Tell me about yourself?". It is of no use to them if you talk about your personal background and hobbies so start by wishing them as soon as you enter and as the question is posed to you start with your academic background your ...

How should you introduce yourself in an interview? - Quora

This is a fantastic list! I wasn't pleased to see Khan Academy listed in the science category, though. My chemistry students (yes, I'm a teacher) have watched most of the chemistry videos and have reported many errors.
