In fiction, canon is the material accepted as officially part of the story in the fictional universe of that story. It is often contrasted with, or used as the basis for, works of fan fiction. The alternative terms mythology, timeline, universe and continuity are often used, with the former being especially used to refer to a richly detailed fictional canon requiring a large degree of ...

Fan fiction or fanfiction (also abbreviated to fan fic, fanfic, fic or ff) is fiction about characters or settings from an original work of fiction, created by fans of that work rather than by its creator. Fans may maintain the creator's characters and settings or add their own. It is a popular form of fan labor, particularly since the advent of the Internet.

Why a Marxist School? Karl Marx's ideas are a common touchstone for many people working for change. His historical materialism, his many contributions to political economy and class analysis, all continue to serve his core values--the self-emancipation of the working class and a vision of a classless society.
