Surrender - Wikipedia

Surrender, in military terms, is the relinquishment of control over territory, combatants, fortifications, ships or armament to another power. A surrender may be accomplished peacefully, without fighting, or it may be the result of defeat in battle. A sovereign state may surrender following defeat in a war, usually by signing a peace treaty or capitulation agreement.

Surrender (military) - Wikipedia

Authoritative information about the hymn text I Surrender All, with lyrics, PDF files, printable scores, MIDI files, audio recordings, piano resources, and products for worship planners.

I Surrender All | Hymnary.org

Day 1 Why do you confuse yourselves by worrying? Leave the care of your affairs to me and everything will be peaceful. I say to you in truth that every act of true, blind, complete surrender to me produces the effect that you desire and resolves all difficult situations.
