Health and Physical Education - edu.gov.on.ca

Education is the process of facilitating learning, or the acquisition of knowledge, skills, values, beliefs, and habits. Educational methods include storytelling, discussion, teaching, training, and directed research. Education frequently takes place under the guidance of educators, but learners may also educate themselves. Education can take place in formal or informal settings and any ...

Catholic social teaching is the Catholic doctrines on matters of human dignity and common good in society. The ideas address oppression, the role of the state, subsidiarity, social organization, concern for social justice, and issues of wealth distribution. Its foundations are widely considered to have been laid by Pope Leo XIII's 1891 encyclical letter *Rerum novarum*, which advocated economic ...
