Aviation. Here are our books for pilots. Please note that, as with any other material of this nature, you also require access to official publications, such as Aeronautical Information Publications, Airman Information Manuals, etc. This is not only because things change regularly, but reading around the subject matter keeps your mind flexible for the exams - questions change, too!

Complexity characterises the behaviour of a system or model whose components interact in multiple ways and follow local rules, meaning there is no reasonable higher instruction to define the various possible interactions.. The term is generally used to characterize something with many parts where those parts interact with each other in multiple ways, culminating in a higher order of emergence ...

1. Stationery pack. Included in this pack are the basic tools of the trade that every teacher uses at some point: pens of different colours (at least one for writing, one for marking), scissors (teachers are often cutting things up), sellotape or a gluestick for putting together your own materials, paper clips or a small stapler and Blu-tack (for putting things up on the wall or bulletin board).

Moving from back office to front office? Every year, a lot of young professionals decide to start their careers in investment banks' back offices. People work in back offices for various reasons: easier hours/lifestyle, because they did not make it into a front-office job and hoped it was the best step towards the front office, or because they simply didn't know the difference between back and ...

Breastfeeding and human milk are the normative standards for infant feeding and nutrition. Given the documented short- and long-term medical and neurodevelopmental advantages of breastfeeding, infant nutrition should be considered a public health issue and not only a lifestyle choice. The American Academy of Pediatrics reaffirms its recommendation of exclusive breastfeeding for about 6 months ...
