Armenian architecture comprises architectural works with an aesthetic or historical connection to the Armenian people. It is difficult to situate this architectural style within precise geographical or chronological limits, but many of its monuments were created in the regions of historical Armenia, the Armenian Highlands. The greatest achievement of Armenian architecture is generally agreed to ...

gospel - Wiktionary

Gospel originally meant the Christian message itself, but in the 2nd century it came to be used for the books in which the message was set out. The four canonical gospels "Matthew, Mark, Luke and John" were written between AD 70 and 100, and are the main source of information on the life of Jesus. All four are anonymous (the modern names were added in the 2nd century), and none were ...
