I am flattered that the author of a new chicken book called Henhouse has turned my humble coop-building instructions into this amazing infographic and posted it on Visual.ly. This is a slightly simplified version of our coop, with no "chicken Guantanamo" cage underneath, or aviary around it. But after many years of use, this design has served us well and we still heartily endorse it for ...

Homesteading in the suburbs is not yet commonplace, but the practice is now deemed more socially acceptable and less frowned upon by at least some homeowners associations. It's possible to turn a suburban home and backyard into not only a homestead, but a true survival. homestead, but keeping it a secret will be very difficult and you shouldn't; not entirely, anyway.
