

the best horror stories pdf

The genre of horror has ancient origins with roots in folklore and religious traditions, focusing on death, the afterlife, evil, the demonic and the principle of the thing embodied in the person. These were manifested in stories of beings such as witches, vampires, werewolves and ghosts. European horror fiction became established through works by the Ancient Greeks and Ancient Romans.

The early twentieth century author spent almost his entire life in the New England of his birth, drawing on its many oddities in obscure stories published in pulp magazines— notably the influential *Weird Tales*. Hypochondriac, hyper-sensitive, and reclusive in later life, Lovecraft survived on a dwindling inheritance and never achieved much recognition.
